

2nd August 2024

Dear Friends & Colleagues,

Discounts on ESMINT Membership & Congress registration

On behalf of the ESMINT Board, we would like to inform you that all members of your Society are invited to become members of ESMINT, the European Society of Minimally Invasive Neurological Therapy, with a discount of 20% on the regular membership fee – full membership of ESMINT is available to you for €96 (normally €120) per annum.

ESMINT membership brings [many benefits](#), notably a €130 discount on face-to-face registration the ESMINT Congress registration fee and you are warmly invited to be a part of ESMINT 2024, taking place 4 – 6 September 2024 in the Palais du Pharo, Marseille, France.

For those unable to come to Marseille, digital attendance is available at €100 and congress attendees and ESMINT members may also access recordings free of charge after the event.

ESMINT's annual Congress is *the* neurointerventional event of the year in Europe and brings together a multidisciplinary group of key opinion leaders, researchers and practitioners working in the field. Both 'young ESMINT' and our angiosuite personnel colleagues have each have a dedicated parallel session. Check out the scientific programme [HERE](#).

Alongside the cutting-edge science, there are ample networking opportunities: on Thursday 4th September, you can join participate in a 5k run or a poolside yoga class before the start of the programme. And that same evening all are warmly invited to register for the Networking Event, taking place at the fabulous Les Halles de la Major.

The Congress takes place in the stunning Palais du Pharo, an imposing building originally built by Emperor Napoleon III for Empress Eugénie. It features a large auditorium for the programme and ample floorspace for the Exhibition which never fails to interest – as well as sea views from the terraces.

We hope that you will be inspired to become a member of ESMINT and to attend our Congress – if not this year, then the next.

In the meantime, if you would like more information or if you have any questions, please don't hesitate to get in touch with our Office Team at office@esmint.eu.

Very best wishes,
The ESMINT Team
